GOOD LECTURE

The lecture at the Baptist church last Tuesday evening was largely attended by an appreciative audience. Rev. Harold P. Holbrook gave his audience many things to think about to relieve the nervous strain and tension of the times in which we live. He forcibly illustrated his subject "Laugh and Live" from a fund of daily experiences and stories both old and new which sent everybody away with a more cheerful and optimistic philosophy of life.

AWARD LETTERS

College Football Members Are Given Letters

At the final chapel service before the holiday vacation at Alma College Coach Edwin Steele presented letters to the football men, thirteen being given for the present year, and one awarded to Harold Walker for work during 1919.

Not a man of those who were awarded letters graduates this year, and hopes are being held that the Presbyterians will be able to get back to their old position in the M. I. A. A. near the top of the ladder next season, with such a wealth of material to start with. Nine of the men who won letters were awarded the honor for the first time. Three of the men, Rose, Waggoner and Beattie won their second football letters and have two more years. Capt. Barabean, with three seasons of play is the oldest man on the squad and still has another year for the fall game.

The men who were awarded football letters for 1920 are Captain Barabean of Grand Rapids, Waggoner of Bad Axe, Hindley and Hileman of Alma, Simms of DeTour, Brewer of St. Louis, McNughton of Crosswell, Beattie of Detroit, Arbaugh of Lansing, Rose of Ashley, Lemoine of Lowell, Foster of Newberry, and Hale of Wyandotte.

WINS CASE

Important Case Settled in the State Supreme Court.

The case of Fred G. Stevens who started suit against the State Veterinary Board, seeking to recover from the board for the death of a valuable horse, has been decided by the Michigan Supreme Court.

The case has attracted wide attention in all parts of the state, and promises to be far reaching in its effects. The higher court handed out a verdict in the case, giving Stevens a judgment of \$3,000, with the state board to pay the costs of the case in both courts.

Charles H. Goggin, an Alma attorney, had charge of the case for Stevens, and feels elated at the verdict that was rendered.

AGED MAN DIED SATURDAY
George Frederick Hoffman, aged 85 years, died at his home at Forest Hill on Saturday, December 18. The funeral services were held Monday and interment was made in the cemetery at St. Louis.

WHEN EVERY MOVE HURTS
Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbor!

H. M. Bradner, retired carpenter, 923 1/2 Pine Ave., Alma, says: "I used to have stitches take me in the small of my back and I was laid up for a few days. It was hard for me to work in a stooping position and when I straightened up, the pains were very severe. I couldn't turn over in bed and every time I moved an electric-like shock went through me. White spots floated before my eyes and I could hardly see. At times, I would get so dizzy that I couldn't get around and I was a miserable man. My kidneys were weak causing me to get up often at night and the secretions were highly colored and filled with sediment. I saw how many people were using Doan's Kidney Pills and I got a few boxes at Murphy's Drug Store. They cured me."
